OFFICIALS PICKED FOR SCHOOL TRACK MEET ON SATURDAY

Prof. Richardson To Be Referee of Annual Title Games. Other Athletic Gossip.

By BRYAN MORSE.

Officials have been selected for the annual field and track games of the high schools to be held at College Park, Md., Saturday afternoon at 2 p. m. The entries are all in, and early reports indicate that the affair will be the largest in point of entry of any of the meets in past years.

One hundred and five boys have been entered in the various events. Tech is leading with 34 entrants, Western in second with 28, Central has 24, Eastern 18, and Business 5. On account of the fact that various activities will engage the time of many of these youngsters, it is thought that the list will be cut down somewhat.

Prof. C. S. Richardson, of the Maryland Agricultural College, has been selected as referee. H. C. Byrd, athletic director, of the Maryland institution, will be starter. Other officials are S. B. Broughton, J. C. Appleman, and F. C. Bomberger, judges at finish; C. M. King, W. C. Thacker, and Charles Hart, timers; Myron Greese, head field judge, and E. M. Corey, clerk of course. Lyman Oberlin, Cy Macdonald, and Leroy Birch are assistant field judges. Spectators will be chosen from the students at the Maryland institution.

There are thirteen events which include two events for juniors. The order of events is as follows: 100, 220 hurdles; 80, 160, 320, 440, 880, 1,760, 3,520, 7,040, 14,080, 28,160, 56,320, 112,640, 225,280, 450,560, 901,120, 1,802,240, 3,604,480, 7,208,960,
